THE PARIS SEATING COLLECTION

BY: MARTIN COOK

GUEST ROOMS | PUBLIC SPACES | DINING

Paris is not entirely unique, it just feels unique. Somehow doing ordinary things in Paris can feel extraordinary and we tried to capture this ethos in our stylish new collection inspired by the City of Love.

THE PARIS SEATING COLLECTION

MARTIN COOK

Building on the Paris Collection, Martin and his team at Eurohome Living have embraced the mystery of Paris and created a seating collection that turns the ordinary chair into something extraordinary.

From the appropriately Parisian Hipster to the playful Flamingo you'll find a design to suit all moods and a few of our favorite people there to keep you company along the way!

Sit back, relax and enjoy the new additions to our collection celebrating the **City of Love!**
